

YOUTH SOCCER OVERTIME RULE

Playoffs Only: In the event of a tie game there will be two (2) five minute overtime periods. The teams will switch sides at the end of the first overtime period. If the game is still tied at the end of the second overtime period then penalty kicks will be used to break the tie. Each team will select five players to kick; the players must have been on the field when the second overtime period ended. The teams will alternate kicks. If the game is still tied after the penalty kicks then the game will go into sudden death penalty kicks. Once the first five have kicked, then the players who were not in the game at the end of the second overtime may kick. No player may kick more than once until the entire team has had their turn.

The goalkeeper may be any player in the game at the end of regulation time.
